EXAMINER'S COMMENT AND STATEMENT OF REASONS FOR ALLOWANCE

Terminal Disclaimer

1. The terminal disclaimer filed on 23 August 2004 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of Pat. No. 6,770,884 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Response to Arguments

2. In regard to applicant's remarks that there is no justification for a terminal disclaimer because the current application is a continuation application that would not otherwise afford any improper timewise extension, the examiner notes that the requirement of maintaining common ownership (an additional basis for the terminal disclaimer) is not met simply because of the status as a continuation application. As such, the requirement of a terminal disclaimer is considered proper.

Allowable Subject Matter

3. Claims 1-45 are allowed.

The following is an examiner's statement of reasons for allowance: the claims are allowed in view of the properly filed terminal disclaimer as noted above and for reasons of record as noted in the office action of 17 June 2004.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
